At approximately 220549zMAR07, TF (Task Force) Diablo received a report from TM (Team) Hades, via ETTs (embedded training team)(disposition: 4 NTV, 2 UAHs(up-armoured Humvee's), and no ANSF(Afganistan National Security Forces)) that a Romanian convoy moving north on RTE (Route) UTAH from Gardez to Kabul struck a LN (local national) child IVO (in vicinity of) the Puli Alam Bazaar. Romanian 523 allegedly struck and killed a LN (local national) child. ANP (Afgan National Police) through ETT stopped the Romanian element and contacted FOB (Forwoard Operating Base) Puli-Alam. Romanians are currently at Muhammad Agha District Center. FOB (Forwoard Operating Base) Puli-Alam QRF (quik response force) has deployed to assist ANP (Afgan National Police) and coalition elements. Contacted Romanian ETT (embedded training team) at FOB (Forwoard Operating Base) Lightning (ETT (embedded training team) Gardez)

 The ETTs (embedded training team) reported that the LN (local national) child broke free from his mother and stepped out into the road, running into the passenger rear bumper of the 1st vehicle, knocking the child on the ground.
 The ETTs (embedded training team) halted the patrol and attempted to investigate the incident, however, a crowd was forming compromising their security.
 The ETTs (embedded training team) continued their patrol to the district center IOT (in order to) explain the situation. TM (team) Hades dispatched their QRF IOT (quik response force) (in order to) investigate the situation and retrieve the ETTs (embedded training team) and brought them back to FOB (Forwoard Operating Base) Puli Alam.
 TM (team) Hades spoke with the Governor who said that a formal statement will be conducted on Saturday.

 At approximately 0936z, report was confirmed that the child had died by COL Zahirikhan
 TM (team)Hades has collected all sworn statements from the ETTs (embedded training team) and are in the process of analyzing the paperwork
 TF (Task Force) PHOENIX will prepare HA (Humanitarian Assistance) and a solatia payment IOT (in order to) distribute to the family on Saturday.
